the 1990s, the number of people with a diagnosis of schizophrenia has increased in the United Kingdom (Meltzer et al. 1997). This has led to a growing reliance on the use of drugs to manage the condition.

There is a growing awareness of the need to improve the management of people with schizophrenia. The National Institute for Clinical Excellence (NICE) has published guidelines for the management of schizophrenia (NICE 2002). These guidelines recommend that people with schizophrenia should be treated with antipsychotic drugs. However, there is a need to improve the effectiveness of these drugs. This is because many people with schizophrenia do not respond to treatment with antipsychotic drugs. This is often due to the fact that the drugs are not taken as prescribed. This is often due to a number of factors, including a lack of insight into the illness, a lack of motivation, and a lack of understanding of the importance of taking the drugs. This is often due to a number of factors, including a lack of insight into the illness, a lack of motivation, and a lack of understanding of the importance of taking the drugs.

High School rookies, we came with pin curls and moustaches for the initiation theme of "Gansters and Flappers" Billy led our class with Linda, LeeAnne and Linda as officers "I'm healthy! What do I have to take health for????!!" We bombed out at the Pep Rally, (no beginners luck) But Lorraine was a real winner as Homecoming Attendant "They say it's impossible to get lost in B.H.S. . . I've proven the impossible!" "What's Little Cafe?? Is that where they serve the snacks?" We began a tradition with the Senior Farewell Breakfast and introduced Bottle Recycling to Berlin High.

Now what our grand old days are done
We're long back to all the fun
And we're the same to me and you
As we look back to Berlin High

In the springtime
It was hot
But down was where we never got

We laughed and sang
While playing ball
And ran into
The blocked-up hall

The Key with Doug
 And Long at the class
 The Key with Doug

We had a Ball
And heard a sound
A lovely band
Called Freedom Bound

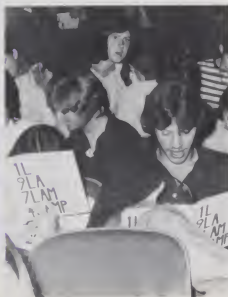

We're singing popcicles
Summer music group
Thank you for your work
And we can't help!

We had some Banquets
And ate alot
And counted the awards
That we got

Graduation was a ~~very~~ ~~important~~ ~~occasion~~
Bar Jeanette Aske
We ~~all~~ ~~of~~ ~~w~~ ~~ere~~ ~~present~~

We gathered for a banquet
Ara presented awards
And when it was over
I too was proud to see

We danced 'til day
And partied all night
Until all we could do
Was stand upright
